Act Of Command: PSI-Ops/Immortal Ops, Book 4

Synopsis

Captain Corbin Jones heads his own Paranormal Security and Intelligence Agency Special Ops team. He's used to being in command. Used to having to make the tough calls. As a lionshifter, he's no stranger to fighting his primal instincts. He's had them well in hand for most of his immortally long life - that is, until he catches a scent that sets his body on fire. The scent of his mate. Mae wasn't looking for love and certainly didn't want to go on a blind date. When she's stood up and grabbed instead by madmen who want to use her to breed other supernaturals, she's not sure who to trust. Not even when the very same man she's been fantasizing about is deposited next to her. Fate - and her own supernatural hormones - won't be denied, and she finds she can't control the desire burning through her. The only problem is, her fantasy man, the very man who came to rescue her, is now a prisoner too.

Book Information

Audible Audio Edition

Listening Length: 4 hours and 10 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Raven Happy Hour

Audible.com Release Date: July 14, 2016

Language: English

ASIN: B01IDIBTL4

Best Sellers Rank: #367 in Books > Audible Audiobooks > Romance > Fantasy #3179

in Books > Romance > Fantasy #7280 in Books > Romance > Paranormal

Customer Reviews

I will start this review stating that, for the record, I enjoy Mandy Roth's work. I don't expect her writing to be anything more than it is and I am never dissatisfied. One thing I really like about her work is her creativity and imagination. People who are harsh in their reviews of her work should stop and ask if they have ever written as much as she has, with as many different ideas as she has published, and been as creative in how they put the ideas to work for them. That said, this book was a typical Roth book for me. Fun, sexy, humorous at times, and with a clear problem needing to be resolved in order for the hero and heroine to not only come together, but also for them to live without fear of bad guys harassing them or attempting to kill them. The characters are developed without

falling into the category of complex. Their motivations are clear and realistic. Their relationships to the tertiary characters are strong and clearly defined. I appreciate how the characters don't simply find love and good sex. There is always growth in the character as they grow to discover what their life will look like from this point forward. In life, each of our experiences shapes us and changes us, and I appreciate that in the world of the story, that happens as well. This story, being paranormal, has the fun and sexy aspect of the draw of a fated mate relationship between two supernatural characters. Roth has found a very enjoyable formula for the paranormal romance and she applies her ideas and creativity to it well. On the other side, the only thing I can really think of to suggest to her to make this story better would be to hire an editor that does more than simply fixing typos.
