Customer Reviews

"My Paper Memory Quilt: A Family History Pack" is filled with ideas, suggestions, prods and supplies (the paper of the book itself) for creating a paper quilt that will preserve and enhance family memories. It looks to me like it will be great fun to use. In the process, one is creating a memoir. I kept thinking of a grandmother doing the projects with grandchildren. I bought this book to send to a quilting friend who is laid up with a broken foot. I envision her enjoyment and her unleashed creative spirit and I am happy with my choice of get-well gifts. I've used other books by this author. He's a rare find. If family history is of interest to you, you really could use this book in your tool box. Enjoy!
