Synopsis

Oh no! From tap to ballet and from salsa to disco, dance styles are getting ruined and dancers everywhere are fumbling over their own two feet! From the moment they met their first fairy at the end of a rainbow, Rachel and Kirsty have been good friends to Fairyland, helping the fairies defend their home against mean Jack Frost, who is on a constant quest to steal their magic. Now they're helping the Dance Fairies, who make dancing fun for everyone. At least that's what they're supposed to do-but when Jack Frost's goblins steal the fairies' magic dance ribbons, dancing everywhere is sure to be ruined. Rachel and Kirsty must help the fairies find their ribbons, or dancers everywhere will be tripping all over themselves! Rainbow Magic has become an international hit with young girls, who like to imagine that they too will meet a fairy one day and help save a place like Fairyland!

My granddaughter was thrilled that she had a set of books to call her own. She is seven years old and reading to her little brother and sister

My eight year-old granddaughter has read 40 of these books. They keep her reading and interested in making up her own stories

The Dance Fairies bring home to Fairyland new exciting dances and new adventures! But what

happens when evil Jack Frost and his creepy Goblins sneak into the Fairyland Palace and snatch the dance fairies magic ribbons. With out the ribbons no one will be able to dance the way they were able to ever again! I love have Kirsty and Rachel always step in to help their fairy friends.

All of my daughters love the series. Having their own books let them color in the fairies! They enjoy the different characters and setting.

The Orchard also gift wrapped my box set. It was new and not opened. When I told them it was for Christmas they gift wrapped. Yay!

My granddaughter is reading through all these sets of books...this is a very good price for the set of seven!!
