## Customer Reviews

I'm a beginner piano player, I know how to read music well, able to read bass and treble clef, not able to read chords well, able to use both hands while playing and know basic finger positions. When buying books online I never know what quite to expect because there's beginner level and then there's "I have no idea what I'm doing -beginner level."With my experience this book has been great for me to practice on easy mode to songs I am familiar with and some that I'm not. The collections are nice and some songs I've even forgotten about are in there. There are 280 pages and 38 songs.Here's a list:Be Our Guest - Beauty and the BeastBeauty and the Beast - Beauty and the BeastBelle - Beauty and the BeastCan You Feel the Love Tonight - Lion KingCircle of Life - Lion KingColors of the Wind - PocahontasFriend Like Me - AladdinGo The Distance - HerculesGood Help The Outcasts - Hunchback of Notre DameHakuna Matata - Lion KingHawaiian Roller Coaster Ride - Lolo & StitchI Just Cant Wait To Be King - Lion KingIf I Didnt Have You - Monsters, Inc.
