Customer Reviews

This is more of an article than a story or a book. It tells about the mental, physical and sexual abuse of Mark and Belinda Van Krevel at the hands of their father.If I had proofread this story, I would have corrected 11 errors.

Fascinating read. Hadn't heard of this murderer before. Found the three of them very fascinating. Recommend reading if you are into true crime.

Why is this a 'book?' I was totally caught off guard when I got to the end....after a few minutes. It IS a tragic story - one I would have liked more detail about.
