## Customer Reviews

This book contains proven steps and strategies how to successfully sell handmade and vintage products on Etsy. Author will give you great tips how to start your own business; how to conduct market research, how to package you products, creating a brand for your shop and a lot more useful information.

Etsy is like Ebay except that it specializes in hand-made arts and crafts. So if you're an artist or craftsperson and you have a stockpile of articles you'd like to sell, Etsy is the perfect place for it. Transactions are simplified with the use of PayPal or credit/debit cards. Of interest to note is that there were 30 million users in 2013. That's a lot of reach... better than your local yard sale. The book goes through a step-by-step process from setting up your personalized account to how to get your items listed and sold.

This new book about Etsy by Ashton Cruise is packed with helpful tips on getting an Etsy store up and running. I knew nothing at all about Etsy before reading this book and found it to be a great beginner's guide to understanding how Etsy works. The content covering promoting your goods was particularly valuable. Overall - a very professional piece of writing. East Lands

very good book. I bought it because I like to do crafts and a friend recommended me to sell in etsy. I had not heard of etsy before . so I started researching what it was. I found this book. and frankly helped me a lot. it is good because it will teach you step by step, what you have to do to open a shop on etsy. and be successful.

This book was extremely helpful in the set up of my Etsy business. I have been trying to get started for a while and decided it was time to do some reading on the subject. The book gave me helpful tips on what to and not to do. Reading this book and following the guidelines is helping me get my business off to a good start.

Originally purchased for daughter who sells hand painted items online. Couldn't help but load it on my Kindle too. I found the book very informative with many tips and tricks that can be used on Etsy

and selling online in general. A must have for ANYONE who has or wants to start an Etsy storefront.

Earning money by selling homemade product at home is not easy for present world. For that you have to market this product. This book helps us to know how to anyone selling on Etsy that can help you become a successful Etsy seller. I love this book very much and this book is really helpful for my family too.

This is a massive read and an amazing collection of great tips and tricks for Etsy! Etsy has become the wave of the future and this manual is very opportune. The author covers all aspects of Etsy. A must read for fun and knowledge of improving your sales on ETSY. So glad I stopped to read first before I set up my Etsy Shop! Very helpful! Thanks Ashton!
