## **Synopsis**

Kelsey Byden grew up believing her mother had died when she was three. Now at twenty-six and freshly divorced, she receives a letter from her mother explaining that she is alive and living on a Virginia horse farm. Deeply strung by lies told to protect her, Kelsey takes her anger out at her college professor father by going to visit her mother, who Kelsey learns spent over ten years in prison for murder. But there are more secrets to be found out and Kelsey decides to stay at her mother's splendid horse farm where she falls in love with horses and the man next door, handsome gambler Gabe Slater. When murdered men and injured horses turn up, Kelsey finds evil lurking where she least expects it, and risks all to restore her mother's honor. --This text refers to an out of print or unavailable edition of this title.

Best Sellers Rank: #58 inÂ Books > Audible Audiobooks > Romance > Suspense #178 inÂ Books > Audible Audiobooks > Romance > Contemporary #459 inÂ Books > Audible Audiobooks > Mysteries & Thrillers

## **Customer Reviews**

I think Nora Roberts has a fantasy with horses and horse farms, as we've seen in her books Irish Thoroughbred, Irish Rebel and now True Betrayals which was written in 1996. Unlike the other two, True Betrayals is not pure romantic fiction but a blend of several genres. To me, it was very interesting and kept me amused and entertained for several hours. Kelsey Byden was led to believe that her mother, Naomi Chadwick, had been dead for quite a few years and when she received a letter from her mother asking if she'd come visit her, she was an emotional wreck. It seems the real reason her mother wasn't a part of her life as she grew up was the fact that she had been in prison for killing her lover. Talk about shock value! Kelsey decides to visit her mother to try to come to

terms with her emotions - Kelsey had recently divorced and just finding out her dead mother was very much alive was enough to make anyone emotionally unstable and made Kelsey question everything in her life. Naomi has a working horse farm in Virginia and Kelsey goes to try to make sense out of her life. Sounds like a typical plot line, right? Well, sort of, but if Nora Roberts is writing it, you can bet there are a few twists and turns along the way. Like Kelsey being thrown into a situation that could result in another murder. Can the trainer who works for her mother be the answer to Kelsey's broken heart? Can Kelsey ever trust her mother again after being deceived by her for so many years? Will Kelsey ever believe in herself again? I won't give away any of the plot, you'll have to read and enjoy this one for yourself! I do have to say that the plot is not the part of the book that I enjoyed the most - sure there's a little mystery thrown in just to keep things interesting.
