Black Mass: Whitey Bulger, The FBI, And A Devil's Deal

Synopsis

Now a major motion picture starring Johnny Depp A New York Times Bestseller A Boston Globe Bestseller An ABA Indie Bestseller James "Whitey" Bulger became one of the most ruthless gangsters in US history, and all because of an unholy deal he made with a childhood friend. John Connolly a rising star in the Boston FBI office, offered Bulger protection in return for helping the Feds eliminate Boston's Italian mafia. But no one offered Boston protection from Whitey Bulger, who, in a blizzard of gangland killings, took over the city's drug trade. Whitey's deal with Connolly's FBI spiraled out of control to become the biggest informant scandal in FBI history. Black Mass is a New York Times and Boston Globe bestseller, written by two former reporters who were on the case from the beginning. It is an epic story of violence, double-cross, and corruption at the center of which are the black hearts of two old friends whose lives unfolded in the darkness of permanent midnight.

Customer Reviews

"Black Mass" is the chilling account of how two killers from South Boston were able to manipulate the FBI for a period of decades. James "Whitey" Bulger and Stephen "The Rifleman" Flemmi were legendary wiseguys in Boston during the 1970s. John Connolly a childhood acquaintance of Bulger's who made good and joined the Boston FBI. When Connolly hooked up with the tough guy from his old neighborhood things began to go awry. Connolly was awed by his friendship with Bulger and used his contact in the underworld as proof of his prowess as an agent. For their part Bulger

and Flemmi were able to pass along innocuous mob gossip to the Feds in exchange for protection from local law enforcement. Carefully placed tidbits of information helped the FBI to arrest enemies of the Bulger gang. With each arrest Whitey and Flemmi were able to expand their own power base. Those people who complained to the police were inevitably redirected to the FBI. Once the bureau had its hands on a case, the stonewalling began. This was a cycle that continued from the late 60s up until the mid 90s. During this period the 'invaluable informants' provided little of substance to their 'handlers'. However the agents were able to cook the reports and win commendations and promotions for themselves. At the same time, over a dozen murders are directly attributed to the pair. If there is honor among thieves you can't prove it from this book. "Black Mass" is a shocking story of deceit and corruption within Boston law enforcement, politics and organized crime. It is almost impossible to describe the level of hubris on the part of the crooks who were protected by the FBI and those very agents who cosseted the killers in order to advance their own careers.
