Collector's Guide To Cartoon & Promotional Drinking Glasses

Synopsis

Cartoon and promotional characters are featured on drinking glasses decorated with their colourful images. Made since the mid-1930s, they reflect popular culture and entertainment as they derive from movie and television characters. Identification is by abbreviations of series names and a number for each design. These are popular among collectors of pop culture who will find this guide fun and accurate.

Customer Reviews

Softbound, 176 page book with updated 1999 values. This reference contains over 3,000 black and white pictures. Each picture is accompanied by dates, description, and value. Background information is provided covering Explanations and Abbreviations, Paint and Glass Restoration and Glass Condition. A very complete Table of Contents provides quick location of items desired. Topics run from Arby's , Archies and Batman, to Kelloggs, King Kong, McDonalds and Ziggy. A very useful reference tool for cartoon and promotional drinking glass collectors.

its a good book but since I wanted "Wizard of oz" it had a few glasses but not really much. Also its an older version so the prices are a bit lower than reality. However I would recommend this book to a beginner.

I do love these books and had a hard time finding them and was glad to be able to find them and

buy them as they have helped me in my hobby.

This was just what I needed to get a handle on asking prices. It helped me figure out a fair price for selling.

Has a ton of glasses, but it was in black and white, cover is in color. other wise great book to have around

Very informative, but wish the photos were in color so you could see more detail.
