Bob Marley Quotes: Abstract Lessons From Bob Marley

Synopsis

It was in the eleventh day of the fifth month of 1981, malignant melanoma, a dangerous breed of cancer, took away the life of one of the most influential singer of the modern era, Robert Nesta "Bob" Marley. At that day, it was not just the 2 million Jamaicans who were shocked, the whole world wept with them, the whole world wept, hearing the early departure of the king of Reggae. Before he left us at the very age of 36, he contributed not only a collection of everlasting music, but also a cluster of memorable quotes which let us think, or feel the way he thought about the world and how he wanted us to inspire. Like we can feel Bob in his unique model songs, we can experience the mind state of Bob Marley in his sayings too. Though he perished, we can evoke his virtual self inside the realm of our mind. The book, Bob Marley Quotes, is filled with his quotations on different categories like Music, Motivation, Religion, Inspiration, Humanity, Racism, Relationship, etc. This book will be a valuable collection for anyone who is fond of him or want to learn more about Bob.

Customer Reviews

This was definitely not what I thought it was going to be. It is literally just white pages, plain black text and no real context for the quotes. It was disappointing. The 'Look Inside' option conveniently stopped before you can actually see the quotes. It still has some quotes, but doesn't tell you where they're from, which songs or anything like that.
