Sandy Koufax: A Lefty's Legacy

Synopsis

“The incomparable and mysterious Sandy Koufax is revealed”. This is an absorbing book, beautifully written. • “Wall Street Journal” “Leavy has hit it out of the park” A lot more than a biography. It’s a consideration of how we create our heroes, and how this hero’s self perception distinguishes him from nearly every other great athlete in living memory | a remarkably rich portrait. • “Time” The instant New York Times bestseller about the baseball legend and famously reclusive Dodgers’ pitcher Sandy Koufax, from award-winning former Washington Post sportswriter Jane Leavy. Sandy Koufax reveals, for the first time, what drove the three-time Cy Young award winner to the pinnacle of baseball and then “just as quickly” into self-imposed exile.

Book Information

Audible Audio Edition

Listening Length: 9 hours and 52 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: HarperAudio

Audible.com Release Date: June 9, 2009

Language: English

ASIN: B002CN8PMI

Best Sellers Rank: #4 in Books > Audible Audiobooks > Religion & Spirituality > Judaism #48 in Books > Biographies & Memoirs > Sports & Outdoors > Baseball #150 in Books > Sports & Outdoors > Baseball

Customer Reviews

"On the mound tonight for the Los Angeles Dodgers ... number 32 ... the great left-hander... Sandy Koufax". These were the energizing words coming over the airwaves that I lived for as a teenager in the mid-60s. I was a Dodger fan. More specifically, a Sandy Koufax fan. I never saw him pitch, but rather relied on the Voice of the Dodgers, Vin Scully, to paint in my mind's eye the picture of my hero at work. So, on September 9, 1965, it was after "lights out" at a private boarding school north of Los Angeles, and I was under the covers with my transistor radio surreptitiously glued to the final inning of Sandy's perfect game against the Chicago Cubs. Consciously or not, former sportswriter Jane Leavy has constructed SANDY KOUFAX: A LEFTY'S LEGACY much the same as Ed Gruver's year 2000 book, Koufax. In each, the author alternates multiple chapters about Sandy's upbringing, professional career, and post-retirement with chapters that are a batter by batter

account of Sandy's greatest diamond triumphs - at one inning per chapter. In Gruver's story, it was the last game of the 1965 World Series against the Minnesota Twins when Koufax pitched with only two days rest, and clinched the Fall Classic with grit and a fastball. In Leavy's, it's the Perfect Game pitched against the Cubs at Dodger Stadium, when Sandy's performance touched the truly sublime. Based on a wealth of interviews with her subject's friends and former fellow players, Leavy's book provides much more information about Sandy's life and meteoric career than does Gruver's.
