Hal Leonard Rubank Pares Scales For Trombone Or Baritone

Synopsis

The classic scale and arpeggio studies of Gabriel Pares were adapted in the 1940s for like-instrument study by Rubank's Harvey Whistler, and are now the standard for elementary scale instruction. Presenting all the major keys up to four flats/sharps (and the relative minors), each unit also includes long tone and embouchure studies. Supplemental material includes comprehensive chromatic scales, fingering and speed studies, lip slurs (brass) and exercises to strengthen the upper register (woodwinds).

Customer Reviews

The product itself is exactly what I ordered. The exercises are very helpful to increase technique and accuracy. I gave it four stars because I ordered it with expedited shipping and it still took seven business days. Other than that, this is a classic choice for trombone studies.
