Customer Reviews

This mandala coloring book is of great quality for the price. More than 45 Beautiful mandalas with paisley and styled designs to color. I love adult coloring. This is one of the nicely laid out and created books I have come across. The cover is not too stiff that you can't bend it to say out of your way. The pages are printed on a firmer paper. I used gel pens and worked perfectly. The pictures come out nicely even though is not rip out pages. This book is perfect size to throw in your purse or computer bag and use during the down time or need a break from being an adult. I am very happy with this product. There are so many different designs you will have many hours of coloring ahead of you. This was a regular purchase for myself. Highly Recommended!
