ISBN-13: 978-1572226890

Product Dimensions: 8.5 x 11 x 0.1 inches

Shipping Weight: 0.8 ounces (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 starsÂ  See all reviewsÂ (87 customer reviews)

Best Sellers Rank: #9,131 in Books (See Top 100 in Books) #4 inÂ Books > Textbooks > Humanities > Foreign Languages > German #19 inÂ Books > Reference > Foreign Language Study & Reference > Instruction #36 inÂ Books > Textbooks > Business & Finance > Economics

## Customer Reviews

I quite like how this displays all the correct pronunciation and ways to say the words, however I think this list does get bland after a while of repeating the same things, not to mention it's ordered in a slightly confusing way. The list is organized so I can't quite find a word I want to with out some struggle, however after a bit you get the memorization down and you can find them with a glance. I would say this is a very useful tool for people just starting to learn this language.

I love these Quick Study guides! My daughter has the French set, my husband has the German set and I have the Italian set. One day we would like to take a trip to Switzerland and we will be ready to speak whatever language we encounter. They are easy to use and fun and you can put together sentences right away. I especially love the long list of words in the vocabs that are pertinent to today.

This is a handy resource for frequently used words and phrases. It is sturdy also so stands up to being carried in backpacks. Water proof helps too.

Good resource. I need a magnifying glass, but the list is complete and quite useful as a quick

resource that includes most of the categories of words you might need.

Definitely not for conversational use, but it does help with remembering commonly used words and simple phrases. Best part is it comes pre-punched for storage in a 3 ring binder...Handy for students.

Overall, this is a good travelers guide if going to Germany or any Germanic speaking country but I wish there were more articles and tips for sentence structure.

This is a great tool in learning German. Everything is neat and concise. I would highly recommend it for anyone wanting to learn German.

It's laminated, but the print is tiny, and it is a trifold. I thought this was going to come as a poster- the trifolds kinda make it not so good. But- as promised, it does have words on it, in Deutch with English counterparts.
