## **Customer Reviews**

It came to us in great condition, but was not exactly what I was looking for. I was looking for some easier popular music for my older piano students, but they will have to grow into this one.

Hearing one's Mother play "All about the Bass" multiple times on the Grand Piano has GOT to be the best Christmas present. Great music book!

Wonderful collection! My students loved playing these pieces this year. Looking forward to the 2015-2016 version!

Nice overview, well described and arranged. Perfect for quick accompaniment of a singer!

Came super fast and was perfect for what I needed.
