Customer Reviews

I must start this review by admitting I am an avid fan of Michael Perry, and have read and enjoyed all of his books. This, his latest, has not disappointed me. His choice of words and use of language is exceptional. His writing is first of all funny, but it is also poetic, insightful, and even sad at times. He expresses himself so clearly that the reader can personally experience the moment he is talking about. This book of essays is excellent. Once again, thank you Michael Perry!

Always enjoy Mr. Perry's works. You're a creative and keenly observant fella!
